

# It takes a community to build a library.

## Make a lasting impression.

Donors contributing \$100 can sponsor an engraved paver on the walkway leading to the garden area behind the new children's wing or on the walk bordering the new facility. The purchase of memorial or honor bricks provides a way to have your name literally "set in stone" for a lifetime.

*Cost per finished 4x8x2 inch brick paver is \$100. This price includes 3 lines of text in large print. Donors purchasing 10 or more bricks will also be listed on the Donor Wall inside of the new wing. Buy them for your grandchildren! Attach text for additional bricks (up to 14 characters on each of three lines) and include in your envelope:*
